

**UNICEF ESARO**  
**Roll Back Malaria (RBM)**  
**Minutes of Meeting.**  
**March 21st, 2012, 1600hrs – 1700hrs**

**Participants:**

Dr. Joaquim Da Silva  
Dr. Harriet Pasquale

**Agenda:**

1. Malaria Programme Review
2. Country roadmap update
3. Technical Assistance needs.
4. AOB

The TC was arranged and conducted by EARN with the main agenda item being South Sudan Malaria Programme Review.

**1. Malaria Programme Review**

- Planning is underway. There have been two meetings held with the partners. Dr. Harriet requested for more support for this planning.
- Dr. Pasquale will submit the request proposal on 22<sup>nd</sup> March, 2012 including the terms of reference and budget.

**2. Country Roadmap update**

- South Sudan has already submitted their country roadmap update.

**3. Technical Assistance Needs**

- The country at the moment is in need of technical assistance with regard to Malaria Programme review.  
Another TC will be arranged on a later date to discuss any other technical assistance needed.

Having been no any other business, the Teleconference was adjourned at 1630 hrs.
