- **Co-chairs:** **Elizabeth Ivanovich** (UN Foundation) and **Andrea Lucard** (MMV)
- **Manager:** **Joshua Levens**
- **Workstreams:**
 - **Donors**
 - **Francophonie**
 - **Champions**
 - **Multisectoral Advocacy**
 - **Innovation and Access**
- **Contact:** armpc@endmalaria.org

2021-2025 RBM Partnership Strategy

Vision

A world free from the burden of malaria

Mission

To convene and coordinate an inclusive, multisectoral response to control, eliminate and ultimately eradicate malaria

Principle

Ending malaria is central to achieving UHC and global health security, and reducing poverty and inequality

RBM Partnership to End Malaria 2021-2025 strategy framework

Strategic Objectives and Strategic Actions

- SO1. Optimize the quality and effectiveness of country and regional programming**
 - 1.1 Support countries in the design of quality, prioritized programmes
 - 1.2 Support countries in the use of real-time subnational data in planning, implementation and monitoring
 - 1.3 Facilitate timely access to implementation support to address bottlenecks and gaps
 - 1.4 Support building local management and technical capacity
 - 1.5 Support countries to strengthen multi-stakeholder partnership coordination at the national and subnational level
 - 1.6 Leverage regional alliances and initiatives to ensure cross-border and cross-sectoral coordination and coherence
- SO2. Maximize levels of financing**
 - 2.1 Advocate for optimizing global resource envelopes from existing donors and new channels of financing
 - 2.2 Support countries with mobilizing and prioritizing domestic and other resources for malaria and health
- SO3. Facilitate the deployment and scale-up of new products, techniques or implementation strategies**
 - 3.1 Promote and support the inclusion of new interventions in the design and delivery of programmes
 - 3.2 Foster peer learning and knowledge exchange to facilitate deployment and scale-up of new products, techniques or implementation strategies

Cross-cutting Strategic Enablers

- SE1: Data-sharing and use** Open and timely sharing of quality data to drive decision-making, build transparency and foster accountability.
- SE2: Effective partnership** Meaningful engagement of partners at the global, regional and national level to leverage their unique capabilities, expertise and perspectives.
- SE3: Targeted advocacy and communications** Targeted advocacy and communications to keep malaria high on global health and development agendas to drive leadership, commitment, and change.
- SE4: Focused Secretariat** A Secretariat that energizes the partnership to deliver the strategy.

ARMPC focus on Multisectoral Advocacy

- Multisectoral Workstream Co-leads
 - **Isaac Quaye**-Regent University
 - **Joseph Lewinsky**-Catholic Relief Services
 - **Stephen Rooke**-Africa Leaders Malaria Alliance

Objectives for Multisector Workstream 2021

Multisector Framework & Sector Guide	<ul style="list-style-type: none">• Launch the framework and guide in early 2021• Establish standardized process for identifying and gathering case studies and best practices and select repository for distribution• Launch task team to collect case studies and best practices to update guide by end of 2021	April/ May June September	Presentations from MSWG Members
Multisector Mapping & Strategy	<ul style="list-style-type: none">• Conduct a comprehensive mapping of all sectors and document stakeholders and their relevant capabilities, experience, and potential capacities to support the fight against malaria• Document stakeholders in a centralized database and implement a process for maintaining the database• Develop advocacy strategy for priority sectors and stakeholders	Q2 2021 Q3 2021 March-April	Collaboration with MSWG
Data & Research	<ul style="list-style-type: none">• Identify gaps in existing research and priorities four areas for further inquiry• Document research• Select 1-2 areas to launch a pilot	Q3 2021 Q4 2021 2022	Supporting MSWG Priorities

ARMPC- MSWS Workplan Items

Activity 1: Set declaration and specific commitments for addressing malaria and NTD as part of healthy cities initiative among a group of Commonwealth mayors

Activity 2: Structured dialogues and reports in support of malaria and rice agriculture interventions with dissemination targeted to the JICA

Activity 3: Structured dialogues and reports in support of malaria focused interventions in sectors outside of health

RBM Multisectoral Guide Launch

April 2021

- Launch of the Multisectoral Action Guide to National Programs through CRSPC
 - Focused Examples from National Multisectoral Country Action Plans Zambia + Uganda

June 2021

- Launch of the Multisectoral Action Guide to Key Stakeholders through ARMPC

Next Steps

- Launch of Multisectoral Action Guide in the Americas
 - Launch through Non-Malaria Forums
